Business Matching and Pharma Sponsors 2016

The renewed On-line Business Matching System was especially successful, allowing exhibitors to connect and fix appointments prior to the show. BIotech Japan gathers not only Business Development Managers, but also academic and pharma researchers. BIotech Japan is the only place in Asia where you can find potential business partners from a wide range of registered visitors ; from end-users, Project Managers, Business Development Managers to CEOs.

2017 Sponsors will be updated soon.
